A message from Bruce regarding Helping with Jeff Warner for Congress Phone Calls

Pastor Jeff's district (before gerrymandering conclusion) included both AACO and Prince George's County. (For the old timers this was Marjory Holt's district). He is running for US Congress.

He is a first time ever candidate in a large majority non-Republican district AND he is doing an OUTSTANDING - OUTSTANDING, well thought out Job!! (with very little help) and he "understands his customers" As just one example, look for his signs at the Renaissance Festival as many of his voters visit it.

Please respond to his wife to help him with a few hours of phoning (He has the critical list)

Thank you for your consideration to help a true Champion for principal.

He is getting 120 visits/week to his web site. And just this week he passed out 700 cards!
(info@JeffWarnerForCongress.com)

Thank you,
Bruce Ballantyne

Below is the letter from Val

Subject: Jeff Warner for Congress Phone Calls

Hi everyone,

My name is Val, and I am helping Jeff with some of the volunteer work to lighten his load.

With Labor Day now behind us and the General Election only 9 weeks away (hard to believe), there is much to do for Jeff's campaign.

Firstly, thank you for all you have done to support Jeff in his Congressional race. Your efforts and willingness to serve are much appreciated.

Secondly, we still need your help, especially with calls to voters within Jeff's district. The main purpose of the calls is to leave Jeff's pre-recorded voice message on voters' answering machines. It is okay not to engage in conversations with those who pick up the phone. If you do engage in conversation, we ask that you direct the voter to Jeff's campaign website - jeffwarnerforcongress.com.

Would you consider giving at least an hour or two a week or any amount of time that your schedule allows to make phone calls? Anytime you can devote to making calls would help greatly.

Together, we can do this! This is the power of teamwork! And the Best Is Yet To Come!

If I can be of any assistance, please feel free to reach out to me via email or by phone 443.386.8303.

Blessings,

Val
