He is active in his church where he regularly teaches courses for adults in Christian Formation.

We will be having the election of Officers and Board of Directors at the November meeting. Information provided below in newsletter.

This month's message from our President – Norm O'Brien

Welcome to our November message.

Well, the election is over and there is good news and bad news. The good news is, of course, at the national level. It is a great time for our country, but a terrible time for our county. We only gained one seat of the school board, so, our county will continue its way with its liberal policies of men in women's bathrooms, in women's sports, critical race theory as part of the curriculum, and the minds of our children will be endangered for another four years and longer unless we do something about it.

This was the purpose of the precinct group on November 6th. It is made up of hard-working people who want to make a difference in the county. They meet every Wednesday in Annapolis and on November 6th had a lesson learned meeting to go over the problems faced during this election. They filled up a whole whiteboard with the pluses during the campaign along with the many shortcomings of a successful campaign. Some of the problems were easy to fix, and some intractable. Over the next several months, the NCRC will be working with the precinct group, the Severna Park Women's Club, COGS, and **our members** to come up with plans to work on solutions to these problems to improve the chances that we win the next time around. This is an all-in effort. We must do better.

I'm excited about the speaker for our November 21st meeting. He is Jeff Trimbath and is the president of the Maryland Family Institute. He is a dynamic speaker, and the title of his talk is "The promotion of faith, family and freedom in Maryland of all places....". As you can tell from the sarcastic title, his talk should be interesting.

We will also be having our election of officers and the board of directors for our club at our November meeting. This is an important meeting where we pick our leaders for the next two years. The election slate should be elsewhere in this Newsletter. Please attend.

Our December meeting will be our annual Christmas dinner/auction. The charity we will be sponsoring this year is the "Marines Helping Heroes Foundation", a 501(c) 3 organization which directly benefits our local active-duty military, veterans of all branches of the military, first responders, and other 'hero' communities. Representatives from the charity will be available to discuss their mission and answer questions.

The dinner/ auction will be on December 12th at 6:30pm and be held at Mike's Inland Sunset Inn at 625 Greenway Road SE in Glen Burnie. The club will charge a \$5.00 entrance fee to cover the cost of dinners for the marines attending that represent the charity and to be able to ensure enough seating will be available since. Seating is limited to 40. You will be able to order from the menu for your meal. If you are not familiar with the auction, everyone attending brings a wrapped present. They are all placed on a table and auctioned off one at a time. In past years we were able to raise as much as \$2,000 for our sponsored charities. It's always a good feeling to give to a good cause. Please go to our web page at northcountygop.com to sign up.
