***Come meet three Candidates for Governor***  
***Below are some of their concerns.***

### **John A. Myrick:**

Previously endorsed by, Veterans for America First, during the 2024 U.S. Senate Campaign.

1. Exercising fiscal restraint and restoring accountability to the State Budget.
2. Cutting Taxes , fees, and regulations for Maryland residents & businesses.
3. Keeping and bringing businesses and jobs to Maryland.
4. Fixing our failing public schools without bankrupting the State.
5. Improving public safety.

### **Eric Bouchat:**

1. Maryland needs tax reform; I am advocating for a 3x3x3 tax policy. 3% flat rate taxes on earned income, capital gains, corporate tax, and excise sales tax.
2. Reform the redistricting process via a bill I have introduced. Citizen Redistricting Convention Amendment. People draw districts, not politicians.
3. I lost a daughter to opioids and believe in both the treatment of addicts and the prosecution of distribution in order to address this epidemic.

### **Kevin Rodes – Lt. Governor Candidate with Carl Brunner**

1. Using my leadership to advocate for policies that improve quality of life, create opportunity, and ensure fairness.
2. Act as a connector between communities' and government, ensuring voices from all corners of the state are heard and reflected in decision making.
3. Restore trust in the State of Md and being transparent and accountable.
4. Committed to advancing equitable, accessible, and innovative healthcare.

I have five strong topics that I have interest in: healthcare, over dosage, youth and young adults, gun violence affecting our youth and homeless.
